Bring your soon-to-be kindergartener to Hopewell school events!

We are excited your preschooler will be enrolling in Hopewell for kindergarten in the 2020-2021 school year. We look forward to working with you! You and your little one are welcome to come to events in the next few months at the school he/she will be attending. This will help you and your child become more familiar with the school and staff before the new year begins.

{Note: Please call the school office before the event to verify that the date has not changed.}
